## Event Operation

### Time Cards:-

One Time Card per rally vehicle will be handed over to participant at the start of the rally. At the start and finish of every stage, officials will write starting and ending time on the Time Card. The Driver and Co-driver are responsible for the safe custody of the Time Card. After crossing the FINISH gate, the Time Cards must be handed over to rally officials at the Stage Finish before closing of the Rally Stage.

### Starting Order:-

The starting sequence on the Race Day will be decided on the basis of the qualifying round and with individual timing of each driver. The Driver who was the fastest in the qualifying round will go first regardless of his Category, and the rest will be flagged off in the order of their qualifying recorded time. If any rally vehicle did not drive in the qualify round then he/she will be launched behind the last vehicle of his/her respective category.

However, after completion of the qualifying round, if the rally vehicle is not fit for rallying and the participant wishes to change the vehicle with the same category or different category vehicle, than his/her initial qualifying time will become null and void, and shall be launched as the last vehicle of the category to which the changed vehicle will belong to. This rule will only apply if the driver exercises the above scenario and the following terms & conditions are met, which is the sole responsibility of the rally driver & his co-driver.

The change of rally vehicle request be made by the rally driver or co-driver in person to the Race Stewards not later than 09:00 PM of the evening before his/her Race Day. After the stipulated time period it will be total discretion of the Race Stewards for the exchange.

The changed rally vehicle should fulfill all the technical prerequisites and safety requirements to race in the rally. Changed rally vehicle need to pass the tech and safety requirements as per the rules and regulations e.g. Seatbelts, roll cage etc.

The changed rally vehicle should display rally identification numbers, which will be re-issued to the rally participant by the racing authorities.

All the participating vehicles will be released on to the course individually spaced apart by a time interval to be announced at the drivers briefing. The first vehicle will be flagged off according to the Event Schedule given above or as announced in the drivers briefing.

## General Conduct of the Event

All Rally drivers are to wear Rally suits or Overalls (dungaree), which is mandatory clothing for the race. All other wearable are not allowed and if any driver is found in other clothing can and shall be penalized by the Racing Authorities.

Technical Inspection will be strictly on time for all participating rally vehicles of all classes at the stipulated time advised by the organizers, drivers will be penalized if failed to be present in that allotted time window.

All participants must consciously display good sportsmanship and a genuine concern for safety. Failure to do so or failure to obey official instructions will lead to disqualification/removal from the rally.

Rally vehicles coming up from behind and wishing to overtake must be allowed a safe opportunity to overtake at the earliest.

It is mandatory for all Rally vehicles to have fire extinguisher and First-Aid kit.

Helmets and seat belts are mandatory must be worn at all times while competing on the rally route.

Mobile as well as stationery officials/Marshalls will be placed all along the rally route to observe rally vehicles are complying to Rally Rules & Regulations.

Repairs and service of rally vehicles is freely allowed throughout the rally route, however, participants must ensure that the rally route is not obstructed in any manner and his or her vehicle is parked at a safer place for repairs. Common sense prevails.

Any delay caused by mechanical failure, driver/co-driver error, mishap, or weather etc will be the sole responsibility of the rally participant and no allowance of any sort will be permitted.

Any accidents/mishaps must be immediately reported to the nearest rally official, check point or passage control.

The organizers reserve the right to delete, add, or change any part of the route or event regulations at any time should they deem fit.

Refueling will be permitted at the Stage break; however, a sufficient time limit will be allowed to all Rally Vehicles for this at the stage break.

Any competing participant can provide any mechanical/non-mechanical help or assistance to another competing participant at any time during the course of the rally.

There shall be official mechanical help available at the rally route where the organizers feel is deemed necessary to move rally vehicles which are stationery due to any incident.

Timing booths will remain out of bound area for everybody except Race Stewards and Marshals.

All results will be provisional for next 5 days after finish of the rally. A participant can file a written protest against his/her results within 5 days from the race day.

All Technical protests can be filed in written application to the Clerk of the Course before finish of the race along with a fee of Rs 25,000. The driver against which the compliant filed is found guilty then complainant filing fee will be returned and all the investigation expenses, fines and penalties will be borne by the respondent.

All protests will be set forth in front of the Race Stewards & Clerk of the Course for final adjudication, which will be final and binding on all parties.

No advertising or promotional material will be permitted that is of a political, obscene, insinuating nature or in poor taste.

The organizer will advise official race timer closure before the race day. Any participating Rally Vehicle arriving after this time will be DNF. However, it is up to the Race Stewart to allow any grace period after the advised time of closure.

## **Rally Violations:**

Rally vehicle, which do not report at the Stage starting grid on their stipulated time of launch will be penalized with a 10 seconds penalty for each minute of delay. This time penalty will be added to Rally Participant's total driving time of the rally.

Disqualification may occur in the following cases:

Loss or tampering of Time Card.

Failure to obey official instructions.

Knowingly/deliberately obstructing overtaking rally vehicles or dangerous driving practices. Upon confirmed report by race marshals or credible witnesses.

Failure to observe proper procedures at the Stages.

Failure to wear seat belts or helmets at any point in time during the rally.

Unsafe operating condition of rally vehicle.

Unfit Health.

If a Rally Vehicle breaks down or gets stuck due to any reason and gets help mechanically by getting towed from another non-participant vehicle will be disqualified. The Rally Vehicle crew can ask for any kind of help from the spectator's as long as it does not involve any form of mechanical support or add-ons to the Rally Vehicle. In case of confirmed report on the above the rally participant can be penalized with time penalty or can be disqualified from the race.

Any drivers found intentionally miss declaring any technical data in registration form, he/she and his/her co-driver will be banned in the same rally plus other two following Rallies.

The penalty for all of the above may be reduced from total disqualification to a time penalty of up to 45 minutes, which is at the discretion of the Race Officials.
